

**SODAL FIX ALL**

Sold in packs of 12

Soudal Fix All (290ml) .....G469

Soudal Fix All is the ultimate hybrid polymer sealant and adhesive, for nearly all interior and exterior applications. UV and weather resistant, it cures quickly to form a tough elastic bond without priming.

**SODASEAL RV61**

Sold in packs of 12

Soudaseal RV61 (290ml) .....T280

Soudaseal RV61 is a superb elastic hybrid bonding sealant, ideal for sealing joints and for the supple bonding of ABS materials.

**LTM4 PANEL ADHESIVE**

Sold in packs of 20

LTM4 Adhesive (310ml).....G458

LTM4 is a solvent-free, single pack polyurethane panel adhesive, suitable for all interior work, forming excellent bonds with timber, insulation, some plastics and metals.

**FC40 SEALANT ADHESIVE**

Sold in packs of 12

White FC40 (310ml) .....G491  
 Grey FC40 (310ml) .....G492  
 Black FC40 (310ml) .....G493

FC40 is a top quality, high modulus polyurethane sealant and adhesive, suitable for a wide range of surfaces and applications. Available in three colours.

**SEAMSEAL CV BEDDING SEALANT**

Sold in packs of 24

Cream Seamseal CV (380ml) .G460  
 White Seamseal CV (380ml) ..G461  
 Grey Seamseal CV (380ml) ....G462

Hodgson's Seamseal CV is a high performance, non-setting bedding sealant, with good adhesion to a wide variety of surfaces, especially coated metals. It is ideal for bedding seams, mouldings, rails, window & door frames, and many other types of covered joints in caravans, motorhomes and boats.

**SILFIX HM SILICONE SEALANT**

Sold in packs of 25

Clear Silfix HM (310ml) .....G470  
 White Silfix HM (310ml) .....G480  
 Ivory Silfix LMA (310ml) .....G490

Hodgson's Silfix HM is a premium quality, high modulus, acetoxy cure silicone sealant which offers outstanding strength, performance and durability. It cures quickly, and forms a tough rubber seal between many different substrates.

**SEAMSEAL BR BUTYL SEALANT**

Sold in packs of 24

White Seamseal BR (380ml) ..G496

Hodgson's Seamseal BR is a high quality butyl rubber based sealant which cures by solvent evaporation, and adheres to a wide range of substrates. It is typically used as a general bedding joint sealant in caravan construction.

**POLYSEAL 40 POLYURETHANE SEALANT**

Sold in packs of 12

White Polyseal 40 (310ml) ..G463

Hodgson's Polyseal 40 is a high quality moisture cured sealant based on polyurethane technology, to give very good movement accommodation, and adhesion to many surfaces. Used for the sealing of joints in caravans and motorhomes.

**MULTIBOND HIGH GRAB ADHESIVE**

Sold in packs of 12

Buff Multibond (350ml) .....G501

Hodgson's Multibond is a fast drying, extremely versatile and effective gunnable adhesive which has both superb adhesion to a wide variety of surfaces, and excellent gap filling properties. It is ideal for mounting trims, bonding timber, or as an interior panel adhesive.

**SIKA SIKAFLEX 512 CARAVAN**

Sold in packs of 12

White Sikaflex 512 (300ml) .G439

Sikaflex 512 Caravan is a one part, UV resistant, white multipurpose adhesive sealant, ideal for caravan and motorhome construction and repair. A polyurethane hybrid, it bonds well to a wide variety of substrates, and is suitable for making permanent elastic seals of high adhesive strength.

**SIKA SIKAFLEX 221**

Sold in packs of 12

White Sikaflex 221 (310ml) .G440  
 Black Sikaflex 221 (310ml) .G441

Sikaflex 221 is a fast curing, one part, polyurethane based, flexible adhesive sealant, ideal for caravan and motorhome manufacture and repair. It cures on exposure to atmospheric moisture to form a durable elastomer of high adhesive strength.

**SIKA SIKAFLEX 252**

Sold in packs of 12

White Sikaflex 252 (300ml) .....G444

A white polyurethane assembly adhesive with exceptionally high mechanical strength, and excellent adhesion, allowing the bonding of materials like aluminium and glass reinforced plastic, without pre-treatment.

**SIKA CLEANERS**

Cleaner 205 (205ml) .....G449  
 Remover 208 (1 litre) .....G450  
 Hand Cleaner (454g) .....G451

Cleaner 205 is a solvent wipe conditioner to improve adhesion, Remover 208 removes uncured Sikaflex from materials and tools, and the Hand Cleanser does the same for hands and skin.

**MULTI PURPOSE LITHIUM GREASE**

Lithium Grease (400g) .....T100

A 400g grease-gun cartridge of multi purpose lithium grease, for the reduction of friction and wear, support of seals, and corrosion protection. It has a wide working temperature from -20°C to 120°C.

**SKELETON GUNS**

Sika Yellow Gun (310ml) .....G472  
 Cox Orange Gun (400ml) ....G476  
 H/D Deluxe Gun (310ml) .....G468

A range of Skeleton Guns for workshop use, ideal for the huge range of Semloh sealants and adhesives. The heavy duty gun has superb power and control, with no run-on.

**SPARE NOZZLES FOR SEALANT TUBES**

Spare Nozzles (10) .....G431

A handy packet of 10 spare sealant tube nozzles to fit most standard sized cartridges.
